

ASSET MANAGEMENT INTERN (WITH A POTENTIAL FOR FULL TIME EMPLOYMENT). VILNIUS, LITHUANIA

ABOUT INTERNSHIP

We are seeking a motivated and detail-oriented Asset Management Intern to join our team. This internship offers a unique opportunity to gain hands-on experience in aviation asset management with the potential for full-time employment based on performance and business needs.

Dive into a real-world aviation experience, where each day is an exciting challenge. Contribute to tasks set by managers and colleagues, and witness firsthand the dynamic pulse of the aviation industry.

This internship length is 3 months with the possibility of extension.

KEY RESPONSIBILITIES

- Support the team in managing owned and leased aircraft, ensuring compliance with regulatory requirements and industry best practices.
- Aid in identifying and assessing risks associated with aircraft and engine assets, contributing to effective risk mitigation strategies.
- Assist in financial analysis, including lease and maintenance costs, to optimize asset performance and profitability.
- Collaborate with team members in preparing budgets and forecasts for asset performance, providing valuable insights for strategic decision-making.
- Help prepare regular reports on asset performance, highlighting key metrics and trends for internal and external stakeholders.
- Contribute to aircraft acquisition, lease, and sales opportunity development, participating in due diligence processes and negotiations.
- Assist in maintaining accurate documentation and records, ensuring compliance with internal policies and regulatory standards.

ABOUT YOU

- Ongoing bachelor's or master's degree (can be a student) in finance, economics, aviation management, or related field.
- Strong analytical and quantitative skills, with proficiency in financial modeling and data analysis.
- Excellent communication and interpersonal skills for effective liaison between teams and external stakeholders.
- Detail-oriented with the ability to manage multiple projects and priorities in a fast-paced environment.
- Proficiency in financial software and Microsoft Excel.
- Strong attention to detail and ability to work independently, demonstrating initiative and a proactive approach to problem-solving.

WE OFFER

- You will receive a competitive monthly stipend of 924 EUR (gross) for a full-time commitment during the internship period.
- This internship offers the potential to transform into a rewarding career opportunity based on your performance and alignment with our organizational goals.
- Learn and grow your skills under the mentorship of seasoned aviation professionals who are leaders in their field.
- Enjoy complimentary lunch and snacks provided onsite, because we understand that heroes need fuel too.
- Stay active and maintain a healthy work-life balance with complimentary access to our onsite gym facilities.

In its 27 years in the ACMI and air charter business, SmartLynx Airlines has earned a name for itself as one of the finest in the industry. Operating a fleet of Airbus A320s and Airbus A321s aircraft, the airline transports over 3 million passengers annually in Europe and Asia.
