

## **LOGISTICS AND INVENTORY MANAGER (IN AVIATION). VILNIUS, LITHUANIA**

We provide an aircraft engine stand leasing service for Airlines, MROs, engine repair shops, leasing companies, freight forwarders and other customers around the world.

We're looking for an experienced and motivated Logistics and Inventory Manager (In Aviation) to join our team! You will be responsible for overseeing and optimizing our warehousing, transportation and logistics processes to ensure timely and cost-effective delivery of engine stands. We're seeking a strategic thinker with a proven track record of success in logistics and transportation management, who is able to collaborate effectively with other teams to achieve shared goals. If you're a results-driven professional with excellent leadership and communication skills, we'd love to hear from you!

Responsibilities :

Logistics:

- Actively communicate with existing carriers and look for new ones capable of transporting goods with high quality (air/road/sea).
- Conduct negotiations with carriers regarding cargo transportation conditions.
- Work with international customs brokers to provide instructions for export/import procedures.
- Prepare Import/Export loads and their accompanying documentation.
- Cooperate promptly with colleagues and carriers in solving problems arising during cargo transportation.
- Deliver the received goods to the company's warehouses.

Inventory management:

- Ensure and organize all necessary stands inspections and repairs are made on time.
- Ensure quality documentation and information of all stands are in order

Partners relations:

- Manage close relationship with warehouses, stand manufacturers and stands maintenance providers.

Requirements:

- Experience in international logistics, especially with air freight is a must.
- Knowledge of Incoterms 2020 is a must.
- Knowledge with export/import procedures and customs regulations is a must.
- Ability to work in a fast-paced environment and adapt to changes in priorities and tasks.
- Excellent command in spoken and written English.

-Experience in ISO/audit would be a huge plus.

Salary comment: The salary for this position is from 2645 EUR/brutto, based on your skills and competencies.
