

## **AVIATION WHEELS AND BRAKES COMPONENT MECHANIC - PAINTER. BUDAPEST, HUNGARY**

### **ABOUT COMPANY:**

FL Technics is a global provider of tailor-made services for aircraft maintenance, repair, and overhaul (MRO), delivering solutions to commercial aviation customers worldwide. FL Technics is operating in a vast network of representative offices, hangars, and shop facilities, as well as largest independent line maintenance stations network across Europe, Asia Pacific, Africa, Middle East, and Canada.

FL Technics is a family member of Avia Solutions Group, leaders in end-to-end capacity solutions for passenger and cargo airlines worldwide. The Group manages over 100 offices and production facilities globally and is significantly backed by the assets of over 9,000 highly skilled aviation professionals, serving more than 2,000 clients throughout Europe, Asia, North America, Australia, and worldwide and still counting.

For this purpose we are looking for our location: Budapest, Hungary.

### **YOUR TASKS:**

- Painting of surfaces
- Preparatory work e.g. providing tools and materials, cleaning and masking, masking, sanding etc.
- Applying paint both manually and with equipment
- Coating of surfaces e.g. with varnish, adhesives, signs or sealants
- Cleaning and activating of surfaces

### **WHAT YOU SHOULD BRING:**

- Several years of work experience as a painter;
- Preferable work experience in automotive or aviation companies
- Basic knowledge of English
- Willingness to do shift work

### **OUR ATTRACTIVENESS:**

- A stable job in a globally successful company
- Good training and development prospects
- Exciting multicultural and aviation environment

**READY?**

We look forward to receiving your documents!
